Instructor's Note: Today alhamdulillah, after the Reading, all students are invited to stay and listen to "The life of Khadijah" by Abu Uwais Abdallah Ahmed Ali (rahimahullaah). No recording is permitted. Support the dawah and purchase the tapes/cds' from Masjid Rahmah in NJ inshaAllah.

The students are being presented with this opportunity for two reasons. The first being, that it is a tremendous benefit to know the history of the wives of our beloved prophet (salla allahu alaihi wa salaam), May Allah be pleased with them all aameen. And secondly, because some questions from the lecture will be included on your test. May Allah make you successful while taking notes aameen

Your first upcoming test is a special one, you will be asked to describe Khadijah Bint Khuwaylid, Fatimah bint Muhammad, Maryam bint Imran, and `Asiah bint Mazahim (radi allahu anhumaa) based upon your own personal summary of what you have read, heard, and have taken from notes. Your summary alone can earn you 1- 5 points inshaAllah. Your actual test of course is worth 5 points. Total points to be given: 10. See testing document for more information inshaAllah.

Thought:

Could you even imagine that Allah (Glory be to Him, The Most High) would send to you salaams, by way of the noble angel Jibril (alaihi salaam)?

Point of Evidence from Ahaadith:

Jibril (alaihi salaam) came to the Prophet (salla allahu alaihi wa salaam) and said, "O Messenger of Allah, Khadijah is just coming with a bowl of soup (or food or drink) for you. When she comes to you, give her (salaam) greetings of peace from her Lord and from me, and give her the good news of a palace of jewels in the Garden, where there will be neither any noise nor any tiredness."

Surely, we know that, the character of the woman in this time, has not reached such a level. We must strive to increase our Ibaadah to be more pleasing in the sight of Allah.

Let us begin this journey by studying the text about the first women to accept Islam, the first to admit that Muhammad Ibn Abdullah was the Messenger of Allah, and the first to support him upon this path of righteousness. May Allah aide us in being like our mother, aameen
