List Cards

<p>A flower is little.</p>		
<p>Are you big or little? Circle and color one word.</p>		

Instructions:

The words will appear at least twice in the SSCG Reading Books that will be used for class inshaAllah. Students will each week create word cards. After reading the story, students will be asked to find their words in the story to identify the words. Students will be asked to create new sentences using their word cards.

Game suggestion 1: Take the cards and lay them out on the table or floor, call out a word and have the children "Find It", once they find it they hold it up. If correct they keep the cards. Whoever has the most cards at the end wins the game inshaAllah.

Game Suggestion 2: Make two copies of the word cards and play "Go Fish", deal out four cards to each player. Stack the rest in a pile. Player 1 ask for a word card that they have to match the one in their hand, if the other player does not have the word card, they tell player 1 to "Go Fish". They must pick 1 word card from the pile. Player 2 takes a turn by repeating the same process inshaAllah until they have found their word card match. When a player has found their word card match and has matched all their cards they have "Won" the game, but can continue until all the word cards are matched.

(See *Phonics* section)
