Quran/Tafsir

Please provide a benefit that you learned from reading the Tafsir of Surah At-Taghabun - Not less than four complete sentences.

Sentence Structure

1. Choose the misspelled word in each list. If all the words are correct, write correct.

- a) particulary, naturally, similarity b) privilage, recognition, maintenance

2. Choose the correct missing word in the sentence.

a) Rita's Italian Ice has a sale on mango flavored _____. (sorbet, shurbet , sherbet, sherbat)

b) He _____ reading to seeing movies. (inferred, preferred, revered)

3. Choose the word that best completes each sentence.

a) Many insects _____ to changes in climate. (adapt, adopt)

b) The _____ settlers quickly cleared the forest. (hearty, hardy)

4. Use the correct punctuation and capitalization for each sentence. Mark the error or say no error.

1) i sailed with jason

2) did medea give jason a charm

3) Superman is a great comic strip character?

Progress Report Three Weeks

5. Correct the sentence.

- 1) Boxes with carefully crafted joints.
- 2) I saw the exhibit of Shaker objects every object was a lovely treasure.

Language Arts Today, Grammar, or English

1. A sentence is a group of words that expresses a complete thought. What are the four types of sentences? Give an example for each type.
2. Every sentence needs two parts to express a complete thought. What are the two parts of a sentence? Write a sentence that includes a complete subject and a complete predicate.
3. Within the complete subject and the complete predicate, you can find the simple subject and the simple predicate. Write an example sentence, and then underline the simple subject once and the simple predicate twice.
4. A compound subject and a compound predicate include more than one person, place, thing, or action. Write an example sentence for a compound subject. Write a sentence for a compound predicate.
5. A simple sentence has one complete subject and one complete predicate. What is a compound sentence? Give an example of a simple sentence and a compound sentence.
6. Provide examples for correct punctuation in a declarative, imperative, interrogative and exclamatory sentence.

Classroom Notes on Writing

1. Freewriting: What does the term “Modern Day Muslim”, mean to you?
2. Descriptive Paragraph. Write a paragraph. Describe a place that you have visited before, that you thought was awesome or would not like to visit again. Name any landmarks, houses, rooms, parks, etc... Tell how this place is like or not like other places you have visited.

The Treasure of Lemon Brown

Write a paragraph about one of the characters in the story of Lemon Brown. Explain your characters conflict with others in the story.

How should this story be viewed about homelessness?

Describe anything you believe to be true, that would have helped improve the situation between the characters of the story.

Progress Report Three Weeks

Include any facts or quotes from the story that will make your points clear.
