

The Five Senses Activity

Sweet – On the tip of your tongue

Bitter – On the back part of your tongue

Sour – On either side of your tongue near the middle back

Salty – On either side of your tongue near the middle front

What you Need:

- Various items that can be used to taste
- A cloth to place over your eyes
- Pencil
- This Activity Worksheet

Partner up and take turns tasting various items. Have your partner write down what you think each item is and whether it is bitter, salty, sweet, or sour.

This project works best when each partner tastes something different.

Name _____

Date _____

The Five Senses Check List

Directions: List what you think each item is. Then check whether it tasted salty, sweet, bitter, or sour.

Name of the Food	Salty	Sweet	Bitter	Sour
Example: Lime				X
